

Vision Statement:

Norman E. Day School is a gateway to an expanding world of growth and knowledge. All teachers and families actively work together as full partners to provide the best quality educational program for each child. Together we will meet the needs of the whole child and provide for the future success of our community.

Mission Statement:

All members of our school community work to promote high student achievement through learning opportunities aligned with the Curriculum Standards and the Code of Conduct. Our desired outcome is the development of the whole child, which includes academic progress, social skills, physical wellness and emotional maturity. Our school encourages community support and participation, shared decision-making, and opportunities for educational growth of all students, staff and parents.

Student Vision Statement:

When expressing themselves, people will communicate with respect, show responsibility and participate safely.

Students and staff create and share common goals, like making our school the best it can be.

All members of the Day School can have a great time at school by working as a team to make it a better place.

School (Core) Values:

Give Respect

Be Responsible

Communicate Well

Participate Fully
